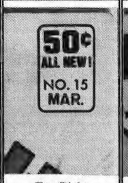
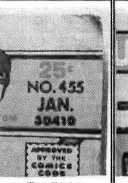
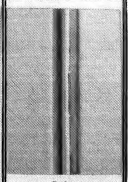
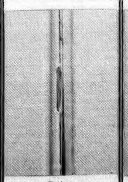
CVM GRADING GUIDE

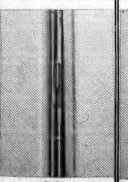
Grading comics is an objective art. Grading factors you should consider when purchasing a comic magazine include: examination of the corners, staples, glossiness and luster of the covers, the aging and condition of the interior paper, etc. This CVM Grading Guide illustrates the many conditions that may be seen from the highest grade and top condition to the lowest collectible grade and shape. Your own comics will be in one of these conditions. This guide will also keep you aware when it comes to buying comics whether you purchase a bargain or a dud. (However, we should point out that no reader or advertiser is required to follow this or any other standard.) All prices in our CVM guide are in Near Mint grade. Happy collecting from us here at CVM.

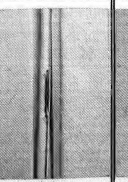
Mint	Near Mint	Very Fine	Fine	Very Good	Good
Top Left	Top Left	Top Left	Top Left	Top Left	Top Left
					




Top Right	Top Right	Top Right	Top Right	Top Right	Top Right
					








Spine	Spine	Spine	Spine	Spine	Spine
Mint A perfect, pristine specimen, devoid of any trace of wear or printing or handling flaws. Covers must be fully lustrous with sharply pointed corners. No color fading. Must be well centered. Many "rack" comics are not "Mint" even when new.	**Near Mint** An almost perfect example with virtually no wear. No significant printing flaws. Covers must be essentially lustrous with sharp corners. Spine is as tight as new. In older comics minimal color fading is acceptable, as is slight aging of paper. Most price guides, including CVM, quote prices in this grade.	**Very Fine** A well preserved comic still pleasing in appearance. Small signs of wear most particularly around staples. Most luster is readily visible. Corners are no longer sharp, but not rounded. Typical of a comic read only a few times and then properly stored.	**Fine** A clean, presentable comic with noticeable signs of wear. Some white showing through enamel around staples and moderate rounding of corners. No tape or writing damage. Book still lies flat.	**Very Good** A well worn reading copy with some minor damage such as creasing, small tears or cover flaking. Some discoloration evident and wear obvious around staples. Little luster remaining and some rolling of spine may be seen when comic is laid flat on table.	**Good** A fully intact comic with very heavy wear. Tears, cover creases and flaking and rolled spine will all be evident. No tape repairs are present. Only scarce or valuable issues are usually collected in this state.

FUTURE PICKS

● Let's play "Spot the Superhero" with this month's feature prototype cover of DC's WAR OF THE GODS. Early days, but already murmurs of interest in this epic crossover story. To whet your appetite, DC has announced cover variations and pin-ups as follows: Newsstand copies will contain pin-ups in issue #1, although only direct sales copies will contain pin-ups in all four issues. Among the action poster inserts, issue #1 features Robin, issue #2 Lobo, issue #3 Captain Marvel and Batman, issue #4 features Flash and Superman. Issues #2-4 will have variant cover designs, with the newsstand copies including additional characters and detail. But don't worry, store collectors! Both newsstand and direct copies will be available through the direct market. PHEW! Confused? Don't be. All will be revealed in time. Will it be multiple orders for multiple crossovers? It's in the lap of the gods – or is it heroes? Our thanks to DC for supplying our front cover feature at such short notice.

● Continuing our crossover theme, things look good for Marvel's INFINITY GAUNTLET mini-series. Sales are hot as predicted in CVM #59. As for SILVER SURFER #50, it's outta here!!! Surf's up and so are prices, as some reports indicate that shelves were swept clean (Ain't life a beach?). Could this be the most sought after issue since Bart Simpson splashed out on "RADIOACTIVE MAN #1?" Reprints of #50 are already on the way (or is that wave?). Marvel's current annuals crossovers are not doing so well, although the mutant "Kings of Pain/Flesh Tears" storyline should prove a good seller. Last, but certainly not least, DC's ARMAGEDDON 2001, now into its third DC annual crossover is selling well. For more information on the multi-hero crossover theme, including our front cover featured comic (JLA #22), see this month's special article titled "Heroes Galore."

● Onto a few of the movie related comic books coming out this summer, everybody must be aware by now that Disney's ROCKETEER is on its way, but did you know that there will be several other rocket back packers out there? Dark Horse's ROCKETEER ADVENTURE MAGAZINE (with art by Mike Kaluta, Art Adams and Dave Stevens), Innovation's ROCKET MAN: KING OF THE ROCKET MEN (adapted from the classic Republic Pictures movie serials), and Adventure's ROCKET RANGER (based on the popular computer game). All will be seeking soaring sales. The other big movie release, TERMINATOR 2, brings offerings from both Marvel and Dark Horse. Dark Horse releases TERMINATOR: SECONDARY OBJECTIVES continuing where the first DH story left off, and Marvel has produced one TERMINATOR 2 adaptation in three different formats. The well oiled machine is on his way. Our final movie mention is ROBIN HOOD, PRINCE OF THIEVES. Eclipse is due to release ROBIN HOOD, a three issue series featuring art by Tim Truman, and DC introduces us to OUTLAW, a post-Apocalyptic Robin Hood tale with art by Luke McDonnell. (Not forgetting SHADO and GREEN ARROW, celebrating GA's 50th anniversary in comics.)

● How about a bite of horror? We already have the enlarged and revamped (no pain, I mean pun intended) TALES FROM THE CRYPT, VAULT OF HORROR and WEIRD SCIENCE EC line from Russ Cochran, and Millenium's NOSFERATU: PLAGUE OF TERROR not out at press time. Hot on the heels of the very sucessful VAMPIRE LESTAT comes Innovation's INTERVIEW WITH THE VAMPIRE adapting the first volume of Anne Rice's "Vampire Chronicles." The stakes are high, but sales should hit the jugular. In the same vein, Marvel's fall releases include THE LEGION OF NIGHT with script by Steve Gerber and pencils by hot artist Whilce Portacio, and the return of THE TOMB OF DRACULA for four issues by Marv (were) Wolfman, (Count) Gene Colan and EC's Al Williamson. Something to sink your teeth into, eh! This reflects (unlike our vampiric friends) the recent upward trend in horror associated comic books.

● Hot current sellers include: The Sabretooth story in WOLVERINE, and the fast disappearing GHOST RIDER #15 with its (Kids, check it out) green tinted glow-in-the-dark cover. For all those matchhead fans who couldn't find a copy of #15, Marvel has announced an orange tinted glow-in-the-dark reprint "head"ing your way soon. Sales of DC's SUPERMAN: MAN OF STEEL #1 have been brisk, and the Lobo/ Etrigan "ego" clash in the current DEMON storyline is a "fraggin'" hot seller.

● Other future tips include: DC's RAGMAN set in Gotham City, Peter David and Sam Keith's Wolverine story in MARVEL COMICS PRESENTS (following Weapon X), and Kitchen Sink's GRATEFUL DEAD COMIX featuring comic book interpretations of Grateful Dead songs.

● Hot times ahead this summer. More next month.

C.V. MOVERS — REGIONAL REPORTS

Northeast

Chuck Tooley,
Fat Jack's
Comicrypt,
Philadelphia, PA

DC Comics

Missed release dates continue to hurt sales. Even so, DC has going for it a number of $$ generators: KID ETERNITY, SUPERMAN (all titles), SANDMAN, BOOKS OF MAGIC, and recently (after a lengthy decline) HELLBLAZER. ARMAGEDDON 2001 sold big numbers for us; the annuals are also selling briskly. SUPERMAN was a sell-out within a week. We're asking (and getting) $3.50 for ARMAGEDDON #1, $5.00 for BOOKS OF MAGIC #1 (which we can't keep in stock), and KID ETERNITY (which sold out at 200 copies!) is selling well as a back issue when we can find them. The current storyline on NEW TITANS continues to move books, as do L.E.G.I.O.N. '91 and LSH. Sales are sluggish on DC's TSR items and how can DC justify books like AVATAR? It just sits. HAWKWORLD is dying and SUPERBOY is not worth the trouble of ordering.

Marvel Comics

SILVER SURFER #50 is a scorcher! Demand exceeds supply, so many stores will be forced to carry 2nd prints. SPIDER-MAN continues to sell like crazy, but we're seeing the beginning of a reluctance on the consumer's part to devour McFarlane. Lee and Liefeld are taking up the slack. Big demand for WARLOCK back issues and anything to do with Starlin and, of course, Thanos. We're selling these books at twice guide prices. CONAN and P.F. have picked up in sales and SLEEPWALKER #1 sold fairly well. WOLVERINE is rising fast after a brief slump. PUNISHER is on a downswing and is still falling. X-MEN and X-FACTOR are selling well and everybody is waiting for X-FORCE and INFINITY GAUNTLET. No other way around it! These two (and X-MEN #1) are going to write history for the industry. Problem is that they will probably bury a number of moderately selling independents.

Indie - Color

PREDATOR has died. Hoping the BATMAN Vs. PREDATOR title will put some spark back into Dark Horse sales. The consumer seems to be tiring of its "Monster/Alien" titles. MAGNUS is hot!

Indie - B & W

The smut-glut is hurting tiles like OMAHA, DOLL, and STRIPS. BIRDLAND has risen to the top and FAUST sells well.

Top Ten

1. X-Men
2. Spider-Man
3. Kid Eternity
4. Legend o/t Dark Knight
5. Thor
6. Silver Surfer
7. Marvel Comic Presents
8. Sandman
9. Superman

2. A D & D
3. Forgotten Realms
4. Sweet XVI
5. Barbie

Southeast

Lee Bissonette,
Cloak and Dagger
Comics,
Daytona Beach, FL.

DC Comics

DC has LOBO, DEATHSTROKE THE TERMINATOR, ROBIN, and NIGHTWING. All would sell better as series' than CAPTAIN ATOM or SUICIDE SQUAD. SANDMAN, GREEN LANTERN, LEGENDS, and SHADE continue to sell well. DEMON, LEGION 91, and SUPERMAN titles are on the move.

Marvel Comics

Marvel's 1990's are a second "age of greatness" for the company. Marvel has THE top talent in the industry. Jim Lee, Rob Liefeld, Dale Keown, Mark Texeira, Whilce Portacio, John Bryne, Todd McFarlane, Alan Davis, and Barry Windsor-Smith are all HOT and selling lots of comics in our area. Of course, Mutant titles are burning, but so is HULK by David/Keown. NEW WARRIORS is doing fantastically well, and GUARDIANS OF THE GALAXY is starting to catch on. DEATHLOK has potential to be as hot as GHOST RIDER. SPIDER-MAN is still hot, with Eric Larsen really starting to produce over on AMAZING SPIDEY. NAMOR, WEAPON X, FOOLKILLER, WOLVERINE, EXCALIBUR (by Alan Davis), SILVER SURFER/INFINITY GAUNTLET, New THOR, DARKHAWK, SLEEPWALKER, FANTASTIC FOUR, and AVENGERS(esp. with RAGE) are all selling very well for us here.

Indies

90% are still dead, but the other 10% is getting VERY good. Dark Horse, Tundra, and Caliber, and NEC's TICK lead the pack.

Additional Comments

Marvel controls the market. To compete, DC needs a faster reaction time and more cross-overs. Indies are on the rise especially Japanese translations and British Bi-weeklies.

Top Ten

1. X-Men
2. Mutants/X-Force
3. X-Factor
4. Hulk
5. Deathlok
6. Demon
7. Armageddon 2001
8. Superman Titles
9. Deathstroke
10 Aliens/Pred./Terrm.

2. Robocop
3. Captain Atom
4. Suicide Squad
5. Barbie Fashion

North Central

Ron Urmaroshi
(owner)
Chris Cochran,
Powerhouse Comics,
Green Bay, WI.

DC Comics

DC is no slouch, especially with titles like BATMAN, DETECTIVE, JLA, JLE, GREEN ARROW, and LEGION 91 and LEGION OF SUPERHEROES (confusing as it is - costumes and code-names please!), which are perennial favorites.

Marvel Comics

Summer's coming, and it looks to be another winner for mutants everywhere! With new books, new looks, and new relationships unfolding, its no wonder the whole X-line is selling fantastically here. Of course, you can't count out GHOST RIDER. With his own book, and in being the arguable cross-over champ (go ask the PUNISHER), he's hot in more ways than one!

Indie-Color

Dark Horse. One name says it all, and it wasn't very surprising was it? With hot talents and hot trading cards, how can you go wrong? INDIANA JONES and PREDATOR are current indie faves, but don't count Valiant's new MAGNUS series out! Its moving up!

Indie-B & W

Dark Horse again. Nuff said?!

Additional Comments

DC's IMPACT line: A huge hit, or another New Universe? Stay tuned.

With the potentially hot mini-series INFINITY GAUNTLET (Marvel) and WAR OF THE GODS (DC), George Perez is playing both sides of the fence - both with the companies involved as well as with his talents, and fans are sure to love the increased exposure of this extremely talented professional.

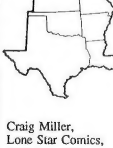
5. Tapping the Vein

C.V. MOVERS — REGIONAL REPORTS

South Central



Craig Miller,
Lone Star Comics,
Arlington, TX.

DC Comics

Are they still in business? Let me check my records -- yes, I suppose they are, officially. ROBIN sells well, but with #1 in the $3.50 range, not $10. Ditto LOBO. Only BATMAN : LEGENDS OF THE DARK KNIGHT seems to be holding moderately well over the long run, but if it were a Marvel, it wouldn't have garnered a mention in the next paragraph.

Marvel Comics

The usual: McFarlane's SPIDER-MAN is selling unbelievably well, despite criticisms about the poor writing. X-MEN is selling in similar quantities. Dropping off slightly after that are the new GHOST RIDER, NEW MUTANTS, PUNISHER and Barry Windsor-Smith's MARVEL COMIC PRESENTS. Among the new series, DARKHAWK and NEW WARRIORS are the best sellers, with GUARDIANS OF THE GALAXY close behind. Are we the only retailer in the country with G.I. JOE #100-up being fairly hot? Also doing well: HULK, PUNISHER WAR JOURNAL, SILVER SURFER, and AMAZING SPIDER-MAN.

Indie Color

MAGNUS: ROBOT FIGHTER has done extremely well in its first two issues. The new INDIANA JONES book also looks strong. The ALIENS and PREDATOR books continue to do well. Archie's TMNT is surprisingly strong, including the reprints. Finally, ROCKETEER is really picking up (no surprise there).

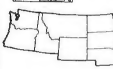
Indie B & W

TMNT is on top, of course, but THE TICK is extremely strong. Not much after that.

Top Ten
1. Spider-Man
2. X-Men
3. New Mutants
4. Ghost Rider
5. X-Factor
6. Wolverine
7. Punisher
8. Marvel Comic Presents
9. Darkhawk
10 New Warriors

Bottom 5
1. Arak
2. Arion
3. 99% of 80's B&W titles
4. Claw
5. New Talent Showcase

Northwest



Willford King
King's Komix Kastle
Boise, ID.

DC Comics

GREEN ARROW is still the strongest seller, followed closely by LEGENDS OF THE DARK KNIGHT. The other Batman titles are back to normal (slow) since the movie mania dissipated.

Marvel Comics

Spider-Man is the character to watch. His titles have been perennial good sellers during my 18 years in the comic business, but now he's finally at the top of the heap. UNCANNY X-MEN has been replaced as the leader by AMAZING SPIDER-MAN and McFarlane's SPIDER-MAN as the two best sellers. There's a big jump down to the third title in line, SPECTACULAR SPIDER-MAN, whose back issues sell, but not so rapidly as the top two. Luckily I put away 100 mint copies of PETER PARKER #1 in late 1976. It looks as if these copies will last me into the next century at lower than guide prices. Hot nationwide, but not in Idaho: NEW WARRIORS. GHOST RIDER does O.K. - including all his appearances. There is not much carry-over to the 1970's series though. CONAN THE BARBARIAN is coming back strongly. People are finally losing interest in the Punisher titles.

Indie - Color

Gladstone has done well with E.C. reprints; Disney not as well, and Cochran, who knows?

Indie - B & W

Surprise! The Mirage T.M.N.T is sold out by the Archie T.M.N.T!

Top 10
1. Spider-Man
2. Amazing Spider-Man
3. Spectacular Spider-Man
4. Web of Spider-Man
5. X-Factor
6. Uncanny X-Men
7. Avengers
8. Silver Surfer

4. Cerebus
5. Lone Wolf & Cub

Southwest

Chris Shorb
(Asst. Mgr.)
Davad Wilburn
(Mgr)
Comics on Parade,
Santa Barbara,CA

DC Comics

All Supernatural titles sell extremely well!! (except SWAMP THING - a new creative team may change that.) SANDMAN, BOOKS OF MAGIC, HELLBLAZER, DOOM PATROL, SHADE sell well, in that order. BATMAN: LEGENDS OF THE DARK KNIGHT "Venom" storyline is surpassing even the superb "Prey" story. Outsells all other BAT titles. Big Surprise: ARMAGEDDON 2001 has been a constant sell-out. Lowest tier sellers are WONDER WOMAN, CAPTAIN ATOM, SHADOW STRIKES, SUICIDE SQUAD, and TSR related titles. Big Disappointment: G.L: EMERALD DAWN II has not matched the first series in sales. Special note: SUPERMAN is fading after the winter hype.

Marvel Comics

The MUTANTS are neck and neck with McSPIDER-MAN to take the top spot, with GHOST RIDER "hot" on their heels. Also doing well are HULK, NAMOR, and NEW WARRIORS. Interest in DEATHLOK is running high, as the reprints fly out the door. Big Surprise: SLIVER SURFER #50 - perhaps the highest quality book for the money in 1991. Not so hot are CLOAK AND DAGGER, WEB and SPEC. SPIDER-MAN, S.H.I.E.L.D. Big Disappointments: BLACK PANTHER (too many words spoil the art), EXCALIBUR - the revolving door policy on their creators is killing their sales.
Special Note: PUNISHER sales (both titles) dropping monthly.

Indie Color

MAGNUS is hot! Dark Horse and Innovation licensed titles doing well: ALIENS, PREDATOR, TERMINATOR, COLOR OF MAGIC, VAMPIRE LESTAT, SHADOW OF THE TORTURER. Big Surprise: return of Comico/Elementals. Big Disappointment: DRAGONFLIGHT.

Indie B & W

Hotties include BRAT PACK, FAUST, Caliber's AIRWAVES, FROM HELL, HATE, and EIGHTBALL. Big Surprise: I AM LEGEND. Big Disappointments: LOST CONTINENT, GLUT DE SMUT!

Additional Comments

Publishers seem to be getting carried away with marketing and packaging strategies (multiple covers, trading cards bound in, regular vs. signed editions.) Whatever happened to good stories and good art?

Top Ten
1. X-Men
2. Spider-Man
3. Batman: LOTDK
4. Ghost Rider
6. Predator: Big Game
7. Magnus
8. Weapon X
9. Books of Magic
10 X-Factor

Bottom 5
1. Lost Continent

3. TMNT Adventures
4. Shadow Strikes
5. Leather & Lace

C.V. MOVERS — REGIONAL REPORTS

Canada

L.A. Comics & Books,
Kamloops, B.C.
Canada

DC Comics

BATMAN titles are still doing well, with LEGENDS surpassing BATMAN and DETECTIVE in total dollar sales. ROBIN sold out every issue. DC annuals this summer are doing exceptionally well and I can't even keep them in stock. Other good sellers include GREEN LANTERN: EMERALD DAWN II and GREEN ARROW.

Marvel Comics

Last summer Spider-Man, this year X-MEN! Jim Lee has brought the X-MEN back into the spotlight and with Chris Claremont's clearer plotlines, this looks to be the summer's hottest book. All the Spidey titles sell well with McFarlane's SPIDER-MAN outselling the rest 2:1. Interest just hasn't appeared in Marvel's annuals and those already published are moving very slowly. Finally the silver embossed cover for SILVER SURFER #50 sold out immediately and hopefully bodes well for INFINITY GAUNTLET.

Indies

Non DC or MARVEL comics have always been a poor third. T.M.N.T outsells most other titles by 3:1. Other titles which sell well are all ALIENS and PREDATOR books.

Additional Comments

Overall comic sales slow. Majority of sales are found in Marvel and DC key titles.

Top Ten
1. X-Men
2. Spider-Man
3. Batman
4. Detective
5. X-Factor
6. Amazing Spider-Man
7. Legends of Dark Knight
8. Punisher

2. Moon Knight
3. Wonder Woman
4. She-Hulk
5. Cloak & Dagger

International

Simon Weir,
Bowral,
New South Wales.
Australia

DC Comics

As usual, plenty of popular stuff coming out, ARMAGEDDON 2001 sold out, fans seem to think it could be another CRISIS. As ROBIN draws to a close, the previous issues are becoming extra hard to come by (cheaply, at least). Next to nobody buys the D & D comics anymore, but those old issues aren't cheap. They make up in sales with G.L.EMERALD DAWN II. We know how the other one caught us by surprise and we won't miss this time! The new BATMAN: LEGENDS OF THE DARK KNIGHT five-parter is HOT! And I know a lot of people wish they'd bought more of BATMAN #457. I am looking forward to OMAC.

Marvel Comics.

X-MEN is getting better and better (check out the cover of #275 and Rogue better get back with the group). M.C.P.'s Weapon X is HOT! Larsen has finally developed his own style (with due credit to Randy Emberlin). The DEADLY FOES OF SPIDERMAN looks good, we all know how SPIDER-MAN is going. SILVER SURFER fans are just dying to find out what the INFINITY GAUNTLET is going to bring. The NEW WARRIORS Punisher appearance sold - and I mean sold! TRANSFORMERS? Nobody but nobody buys TRANSFORMERS. Note: Who found F.F. #350 all a bit of an anti-climax???

Independents.

With the big Alien three long over (ALIENS: EARTHWAR, A.v.P., and TERMINATOR) we are all eagerly awaiting the new PREDATOR series. GREEN HORNET is selling steadily (I now regret deciding against buying that first issue all that time ago). Ripped off, I didn't even see the second and third issue of HARD BOILED! VAMPIRE LESTAT still flies off the shelves. And it seems that poor Mirage's TMNT is finally starting to slow down, but then again, how long is it before the second movie?

Top Ten
1. Spider-Man
2. Robin
3. X-Men
4. GL: Emerald Dawn II
5. Batman: LOTDK
6. Marvel Comic Presents
7. Deadly Foes of Sp-Man
8. Ghost Rider
9. Batman
10. X-Factor

Bottom Five
1. Transformers
2. GI Joe
3. Barbie
4. A D &D
5. El Diablo

Ross MacKay
Rochedale
Brisbane
Australia

DC Comics

I left this report as late as I could because Brisbane has just got the T.V. episode of THE FLASH. It's only been on a week, and comic sales have shot through the roof! Most other DC books, with the exception of DARK KNIGHT are very slow movers at present.

Marvel Comics

Good sales for DARKHAWK and X-MEN. Sales have boosted for GHOST RIDER and PUNISHER WAR JOURNAL #31. Reorders of WHAT IF? #26 (Punisher kills D.D.) were taken. MOON KNIGHT sales have plunged dramatically. WOLVERINE sales are steady. ROBOCOP is slowing down as well as S.H.I.E.L.D. Note: With the reprints, the first printing of DEATHLOK is a grabable item.

Indies

Independent sales are on the up and up. TICK is fast becoming a popular seller. Other fast moving titles include ALIEN NATION: SKIN TRADE. PREDATOR: BIG GAME sells like hotcakes as people buy three and four for its investment potential. TMNT sales are very slow at present.

Additional Comments

With its re-release; the original first printing of DEATHLOK is a grabable item.

Top 10
1. X-Men
2. Spider-Man
3. Ghost Rider
4. Marvel Comic Presents
5. Punisher War Journal
6. Detective
7. Justice League
8. Sandman
9. Punisher
10 Wolverine

Bottom 5
1. Nam
2. Transformers
3. Marvel Age
4. G.I. Joe
5. Fool Killer

Notes on using Comics Values Monthly

This publication is designed to guide comics collectors in the most current comics values. It is a tool, along with other fine publications, to assist collectors to enjoy the hobby.

The comics values listed are what a dealer will generally ask. Depending on a dealer's needs and condition of the comics, dealers will pay around 50% of these values for major hot titles, and 30% or less for minor comics. These guidelines will vary from dealer to dealer and as to location

All characters represented in this issue are copyright by the publishers listed on page 8.

Condition of Comics

MINT – A perfect comic in every way.
NEAR MINT – A nearly perfect comic. Cover shows barely perceptible signs of wear. Tight spine with minor printing defects acceptable.
VERY FINE – Beginning signs of wear. Slight creases at staples, some loss of gloss but attractive.
FINE – A worn cover but clean. Stress lines around staples and more rounded corners.
VERY GOOD – A well read book. Minor markings, discoloration. Heavier stress lines around staples with minor tears or corner creases and spine rolling.
GOOD – A very worn comic with creases, minor tears, cover flaking apparent. No tape.

C.V.Mail

Please send letters to:

Steve
C. V. Mail
P.O. Box 38
South Salem, N.Y. 10590

Dear Steve,
Hello again and thanks for responding to my last letter! Basically, I just want to ask this time around, how the nationwide recession is affecting the comic book industry! Is there a decline in direct sales? Do dealers say there is a decline in back-issue sales? At this point in the economy, does it pay for a dealer to rent out table space at a comic book convention? Does the recession have an effect on current price listings (in other words - if the economy was good at this time would we be seeing a whole different set of prices for back issues?) And finally, what kind of price trends can we expect once the recession is behind us and the economy is on the upswing? Thank you for listening.
While we are at it, how about a listing for collectible trading cards sets?
Thanks again and best wishes for continued success!
Paul J. Leonetti,
Brooklyn, NY.

Hi Paul,
Thought we would include your letter because of the very interesting questions concerning the Recession. No business is "recession proof," but the comic book industry seems to be faring better than most. Although there has, undoubtedly, been a little bit of "belt tightening," we have had very few comments from dealers feeling the pinch. Most of our information indicates a flourishing, yet volatile market for recent comic book releases and a definite pick up with Silver Age material. The upward trend doesn't look to be slowing down. Recessions are traditionally a good time for buying. We hope this general comment is an adequate reply to your question. We would be interested to hear opinions from dealers and collectors on this point.
By the way, thanks for your other suggestions, we will bear them in mind and for trading card listings see T.V.M. #2 (Ad on page 73. S.J.

Dear Steve,
C.V.M. - couldn't do without it!
My problem is KA-ZAR. Can you please list the first series as KA-ZAR THE SAVAGE. The first and second series are both Vol 1 #1 etc. but one is KA-ZAR and one is KA-ZAR THE SAVAGE.
A little input from Reno - 70's back issues hard to find! I would like to know something about Harlan Ellison. Who is he? Why has he done so few books? I think he's great.
Have you any idea how many collectors are there in the U.S.?
Any other "older" collectors enjoying the new JUSTICE SOCIETY OF AMERICA? Thanks for listening.
Phyllis Sattile,
Reno, NV.
P.S. Love that hot/cold list. P.P.S. Will Dr. Doom ever have his own title?

Hello Phyllis,
Steve handed me this letter, and I will try and answer your questions in order. (Thanx for the thrill of seeing my initials on the letters page!). KAZAR THE SAVAGE is listed under the second series, so check closely. In regards to info on Harlan Ellison, he is a science fiction/television/movie writer who moonlights in comic books occasionally. I estimate that there are at least 2,500 comic shops in the U.S. with at least twenty people frequenting them, so I'll say 50,000 plus collectors/readers in the U.S. (a very conservative estimate.) And older readers may be able to answer your question about the J.S.A.!
I'd personally love to see a good Dr. Doom title, but he did appear in a solo series in Astonishing Tales with words by Wally Wood and Gene Colan. Nice to hear from Nevada. (Next time leave us your address.)
N.H. (Not S.J)

Dear Comic Value Masters, (C.V.M. get it?!),
I would like to sincerely thank you for your greatly needed help. JEEZ! Too formal, or WHAT? What I'm trying to say is... ARGH! I'm real sorry, this is the first comic (or value magazine) letter I've ever written. Anyhow, I recently called the "Spider-Man Trivia" phone game. When the last question came on, I was blown away! So, I thought maybe I should try Marvel Universe Update. No luck. Finally, as a last resort (sorry), I decided to try C.V.M. Success! After a while, I won major prizes! Not only that, you have also made me almost the supreme comic pricer of my school. This is a long overdue letter, but I hope you print it.
So long for now,
Dal Bush,
Woodridge, IL.

Formal greetings Dal,
C.V.M. - 'Last resort'? Tsk! Tsk!
Congratulations anyway on your success (now where's my prize?) It seems that you have more than a few comic readers at your school. Are there any other comic book schools out there? Write in and let us know - we will try and give you a mention.
S.J. (5th grade, C.V.School)
By the way, who is this N.H. character who's answering C.V.Mail?

To Steve, C.V.M., and readers thereof,
Allow me to introduce myself. I am a comic information specialist. I make it my business to find first appearances and first works by artists, writers, inkers, etc... For instance, in issue #59, you requested that people in "Comicland" send in info about Larsen and his work. Well, I live smack-dab in the middle of "Comicland," and Eric Larsen started out drawing (with all respect) pretty pathetic posters for Marvel in the EARLY 80's. His work that I've uncovered so far includes issues in: TEEN TITANS, SPOTLIGHT, THE OUTSIDERS, and the ADVS. OF SUPERMAN. Although still researching for his first actual comic book work, I will write in when discovered.
Hot Tip Alert!
As for the first work of everyone's favorite NEW MUTANTS artist, I give you one word, "Stech." Look it up at your comic shop (if you can find a copy) and you'll see what I mean!!
Well, take it easy, and I'll be back.
Dan Pugsley,
Lima, OH.

Dear Steve,
First, I'd like to congratulate C.V.M for its efforts in meeting collector's needs. I'm glad to see it arrive on a regular basis.
I'm writing regarding Pat Foley's second question on Erik Larsen in C.V.M #59. I believe his first work appeared in WONDERWORLD EXPRESS: CHAMPIONS which was published in 1984 by That Other Comic Co. He worked on the second story which featured billionaire gung-fuist, The Spyder.
Sincerely,
E. Helene,
New York, NY.

Thought I'd include two Erik Larsen information letters together. Our thanks to Dan for his info - check your notes for his Hot Tip Alert. (Sorry Dan - we couldn't include your comment on Mary-Jane). Also our thanks to Troth-Dana Productions. WonderWorld Express will be back this summer under the banner of WonderWorld Studios/Troth-Dana Productions. SJ
Thanks to all those who wrote in correcting errors regarding PUNISHER/PUNISHER WAR JOURNAL. We hope we have most of the listings corrected in this issue (Sorry for the C.V.Messup). Keep the amendments, trend info., and Hot/Cold lists coming, your input is vital.

HOT/COLD — C.V.MOVERS
The following list was compiled from recent Hot/Cold lists received.
(–) indicates last month's position.

HOT

1. X-Men.	(3)
2. Spider-Man.	(1)

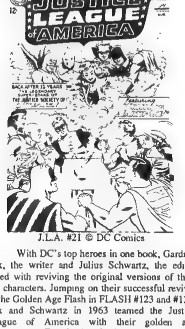
HEROES GALORE: A MINI-LOOK AT MAXI-HERO CROSSOVERS

by Neil Hansen

These days, comic book series and mini-series with twenty-plus superheroes are fairly common, crossing over into a multitude of different comic books. Examples include titles like MARVEL SUPER HEROES SECRET WARS and DC Comics' CRISIS ON INFINITE EARTHS. To reach this point was a long evolutionary process dictated by the ever changing readership of comic book fans and collectors.

The concept had its probable beginnings in the Silver Age of Comics. DC Comics created new versions of popular 1940's characters, streamlined and updated for new readers. The modern Flash debuted in 1955, and Green Lantern in 1959. Following this, DC updated the super-team concept created in 1940 with the Justice Society of America and the Justice League of America debuting in 1960. This featured the cream of the crop of DC heroes: Superman, Batman, Flash, Green Lantern, Aquaman, Wonder Woman and the Manhunter from Mars. At Marvel, Stan Lee and Jack Kirby, inspired by the success of the JLA created the Fantastic Four in 1961. They combined concepts of characterization, storytelling tension and serialization from the newspaper comic strips and began the foundations of the Marvel Universe.



J.L.A. #21 © DC Comics

With DC's top heroes in one book, Gardner Fox, the writer and Julius Schwartz, the editor toyed with reviving the original versions of their hot characters. Jumping on their successful revival of the Golden Age Flash in FLASH #123 and #137, Fox and Schwartz in 1963 teamed the Justice League of America with their golden age counterparts, The Justice Society of America in JUSTICE LEAGUE OF AMERICA #21 and #22. Using the parallel worlds science fiction concept of multiple dimensional Earths, this made comics history as the first team-up of two super teams. It was an instant success, generating an annual summer team-up between the two groups for over twenty years.

Marvel wasn't to be outdone. Their universe was beginning to grow. Their first mega-hero crossover occurred in FANTASTIC FOUR ANNUAL #3(1965). Mr. Fantastic and Invisible Girl decided to tie the knot and have a lavish wedding. One of the FF's arch-foes, the Puppet Master compelled a number of super-villains to try and stop the marriage by destroying the Fantastic Four. The gathering of heroes and villains grew even larger than JLA #21-22 with appearances by the Avengers, the X-Men, Spider-Man, Daredevil and many more.

"The more, the merrier" theme created books that would receive big sales as well as big demand down the road. Collectibility is still hot for these three books.

The group specials increased in numbers. JLA #100-102 teamed the JLA, JSA and the Seven Soldiers of Victory. JLA #107-108 brought back the 1940's Quality Comics heroes to team up with the JLA and JSA. AVENGERS #97, the final chapter in the epic "Kree/Skrull War" teamed the Avengers, Captain Marvel and the original versions of many Golden Age heroes: Captain America, Sub-Mariner, The Human Torch, The Vision and many others.

In 1973, the first mega-hero inter-book crossover occurred between Marvel's top super-teams, the Avengers and the Defenders. In AVENGERS #116-118 and DEFENDERS #8-11, both groups fought to save the universe and the Black Knight's soul. Readers jumped at the chance to see Thor battle Hulk, the Vision clash with the Silver Surfer and Captain America face fellow golden-ager, Sub-Mariner.

Mega-group combos continued. JLA #135-137 teamed up the JLA, JSA and the Fawcett heroes from the 1940's(including the Shazam powered version of Captain Marvel), #147-148 teamed the JLA and JSA with the Legion of Super-Heroes.

Marvel and DC began doing intercompany crossovers in 1975. Their big intergroup crossover occurred in 1982 teaming the two fan favorite super-teams, The X-Men and the New Teen Titans against Darkseid, Deathstroke and Dark Phoenix by Chris Claremont, Walt Simonson and Terry Austin.

Jim Shooter, editor-in-chief at Marvel tried the ultimate marketing experiment in 1984. He created the MARVEL SUPER HEROES SECRET WARS with Mike Zeck. Featuring their top-selling heroes, the book had an effect on all characters involved. Spider-Man received an all black costume, the Hulk lost his reason (again) and She-Hulk joined the Fantastic Four as the X-Men, the Avengers and more heroes battled their super-foes and a new menace called the Beyonder. It was a commercial success, also inspiring a toy line from Mattel. However, this success did not spill over to its sequel mega-crossover series, SECRET WARS II, due to a storyline that was not as well received.

Also in 1984, with the rise of many new companies in the ring, came the first independent crossover of two separate sets of characters as Mike Gustovich's Justice Machine teamed with the Silver Age superheroes, The T.H.U.N.D.E.R. Agents in JUSTICE MACHINE ANNUAL #1 published by Noble Comics. This led to The Justice Machine's team-ups with other groups: The Elementals (who debuted in the same annual in their own strip) in a four issue mini-series from Comico and the Hero Alliance from Innovation in 1990.

DC, in 1985, building on the popularity of the first Secret Wars series, explored the alternate Earths introduced in FLASH #123 and decided to clean house. In trying to straighten out its complicated continuity, DC hired Marv Wolfman and George Perez to create CRISIS ON INFINITE EARTHS. Every character in the DC Universe was involved, making it the most populated comic book series in history. The Silver Age Flash and Supergirl were killed off, and all parallel Earths were fused into one. In 1986, DC used the mega-crossover as a starting point for new books. LEGENDS, as well as featuring their most popular heroes in post-Crisis continuity, brought out three new titles: FLASH, JUSTICE LEAGUE and SUICIDE SQUAD, all of which are still being published. Written by John Ostrander and Len Wein, and drawn by John Byrne and Karl Kesel, it ran six issues. Following this were MILLENIUM (1988), an eight issue weekly mini-series and INVASION (1988-1989), a three issue series.

War of the Gods #1 © DC Comics

Among the many, 1991 has debuted three big new crossover series: ARMAGEDDON 2001, a two issue mini-series spilling into many DC annuals; INFINITY GAUNTLET, a six issue crossover series touching many Marvel books as the superheroes battle Thanos and Mephisto; and WAR OF THE GODS, a four issue mini-series crossing into many DC titles with emphasis on celebrating Wonder Woman's 50th anniversary.

Because of space, the X-men crossovers, Inferno and X-Tinction Agenda as well as many other crossovers couldn't be covered this time around. However, as in movies, articles can have sequels.

To be continued.....

TOY VALUES MONTHLY

Attic Books, publishers of *Comics Values Monthly* is pleased to announce CVM's new companion publication, *Toy Values Monthly*. TVM is the first publication of its kind and will be a vital necessity for collectors of and dealers in toy collectibles. TVM will cover the entire range of toy collecting. Many of the topics covered include comic-related toys. A few copies of Issue #1 featuring Action Figures are still available. Issue #2 was recently published and issue #3 will be available about June 20th. These issues cover:

ISSUE # 2: Non-Sports Cards Cars
New Toys for '91 Cereal Boxes

ISSUE #3: Character Collectibles: Movie & TV
Animation Advertising
Comic Book Comic Strip

Each issue of TVM contains: Thousands of listings of toy collectibles, as well as a guide price for each; Easy to follow codes for the manufacturers of these items and collector terminology; A feature article on one or more of the topics that issue covers; "Toy Tips," our regular column on what to look for; the top ten collectibles of the month; tips; feedback; dealer/collector advertisements; a Show Calendar; plus extensive interior illustrations and a **GORGEOUS FULL COLOR PHOTO COVER.**

Sample Copy of TOY VALUES MONTHLY — Send $5.00 per issue or $9.00 for both issues #1 & #2 (Price includes postage & handling, via First Class Mail, add $1 per issue overseas)

Or:

One Year Subscription (12 Issues): U.S. and Canada via First Class Mail $48.00
Overseas via Air Mail $66.00
